

# MAULBETZ NAMED OKLAHOMA AGGIE HEAD COACH

## Phillips University Mentor To Succeed James E. Pixlee

'Mauly' One of Greatest Football Players of History

### SUCCESS AT PHILLIPS

Developed Championship Contending Eleven in Four Consecutive Years

STILLWATER, Jan. 15.—John F. Maulbetz, who, for three years, 1914, 15, 16, was the mainstay of the University of Michigan eleven under Fielding H. Yost, and first choice of Walter Camp, Frank G. Menke and other football authorities, will be the head coach at the Oklahoma A. and M. college, beginning July 7. He is to supervise spring football practice for the Aggies, although his coaching work at Phillips university continues until summer.

Coupled with the announcement of Maulbetz's selection by President J. W. C. Phillips, and another announcement of note that of a reorganization of the department of athletics at A. and M. E. C. Gallagher, professor of physical training for men and coach of the wrestling and track squads, will also be director of athletics and will continue as coach of the two sports. Maulbetz will be at the head of the football basketball and baseball coaching staffs, and beginning next fall will teach classes in coaching. Assistant coaches of the various sports will be employed.

James E. Pixlee who has resigned as head coach, effective July 1, will offer during the second semester beginning January 24 a course in the coaching and direction of athletics. Coach Sackett, who has coached the team for several seasons, who served as special baseball coach last year, will be re-employed, if possible for the coming season.

Mauly has a great record. Maulbetz in his playing days, under Coach Johnny, the demon, bullet, and other names, has a remarkable record—one rarely equalled and in the whole history of the gridiron, seldom surpassed. At the University of Michigan at Ann Arbor, Mich., he played four years of football, basketball, baseball and track. Each year he was chosen as halfback on the all-star team. In the fall of 1912 he entered the University of Michigan and was picked as captain of the all-freshman team.

For three successive years he played halfback on the Wolverine varsity under the famous Yost. When Maulbetz was in Michigan Yost, when he was chosen as halfback on the all-star team. In the fall of 1912 he entered the University of Michigan and was picked as captain of the all-freshman team.

### THOUSANDS CORNCOB PIPES

Missouri Factories Last Year Sold Near \$1,000,000 Worth.

JEFFERSON CITY, Mo., Jan. 15.—The corncob pipe industry in Missouri last year ran close to a million dollars. The exact sales, as reported by W. H. Lewis, state labor commissioner, amounted to \$912,429.

Corncob and wooden pipes originated in Missouri from which they received the name of "Missouri cornchums." Six factories are doing a business of converting seemingly worthless corn cobs and stalks into pipes and pipe stems to be distributed not only throughout the United States but abroad.

Thousands of these pipes are being smoked in Germany, the home of the genuine cornchum. Mr. Lewis reports say.

During the past year Missouri's six factories manufactured 28,854,380 complete corncob pipes, 2,242,480 wooden pipes and more than a million extra reed stems.

### PROVIDES FOR THE ORPHAN

Poland's Constitution Makes Parentless Children the Care of the State.

LONDON, Dec. 17.—Poland's new constitution probably will contain a provision for care of children by the state which will make it unique, in that it will make it the duty of the state to care for the orphan.

Each child deprived of parental care, or who is neglected morally or physically, has the right to receive care and aid from the state. The sphere of the state's duties in this respect will be defined separately by laws, which will foresee as well the protection of mothers who may require aid, before the birth of the child and the protection of the child in infancy.

As far as known here no constitution in the world includes such a provision.
